La secțiunea pentru studenți aveți acces la multe resurse educaționale printre care și disponibilitatea de a descărca o gamă largă de software și sisteme de operare:

The screenshot displays the Microsoft Azure Education Software page. The interface includes a search bar at the top with the text "Search resources, services, and docs (G+)", a "Copilot" button, and a user profile "student@ing.unib.ro". The main content area is titled "Education | Software" and shows a grid of 68 software items. Each item is represented by a card with a Microsoft logo icon, a title, and a brief description. The cards are organized into rows and columns, with filters for "Product category", "Operating System", "System type", and "Product language" visible at the top. The software items include various development tools, servers, and operating systems, such as SQL Server 2019 Developer, Azure DevOps Server 2022, Microsoft R Client 9.4.7, Visual Studio Enterprise Edition 2022, and Windows 10 Education. The background of the page features a blue and white geometric pattern.
